

Paige McLean

Bolton, Ontario native, Paige McLean was put into swim lessons by Terry and Cathy McLean at George Jacobson swim school by the age of 4 in 1999.

Paige then joined the Vaughan Aquatic Club in 2002 and competed with them for the next 11 years. Over McLean's career she competed in 2 Ontario Cup Championships, 3 Ontario Short Course Championships, 4 Ontario Long Course Championships, 2 Eastern Canadian Championships, as well as 3 Canadian Age Group National Championships.

She competed in many events during her time on V.A.C. leaving with a combined 24 club records. As of 2017, she currently still holds 8 short course club records, and 9 long course club records. She has also competed every year since 2013 in the Welland Open Water Swim Championships in the 3, 5, and 10KM races.

In 2013, Paige signed with Saint Francis University in Pennsylvania on both swimming and academic scholarship. During her time at SFU, she served as Team Captain for two consecutive years and also ran all social media platforms for the team.

McLean holds multiple Top Ten times in Saint Francis Swimming program history including the 500, 1000, and 1650 Freestyle events. She also holds Top Ten times in the 400 Individual Medley, 100 Butterfly, and 3 various relay events.

Paige was part of the 200 Medley relay team who placed 3rd at the 2017 Northeast Conference Swimming Championships. She also had two 5th place finishes in the 1650 freestyle, and two 7th place finishes in the 400 Individual Medley at the NEC Championships over the course of her 4 year college swimming career.

In May of 2017 Paige graduated from SFU with a B.A. in both Psychology as well as Sociology, and was a 5 time Dean's/Provost list honoree.

Paige has now accepted a Graduate Assistant position within the Mizzou Made Academics Department at the University of Missouri. McLean will work directly with Men's and Women's Swimming & Diving, as well as Men's Track & Field. She will also be receiving a full tuition scholarship to pursue a Master of Education (M Ed) in Educational, School and Counseling Psychology with an emphasis in Positive Coaching.
